

ARKANSAS GROWN

MARCH NEWSLETTER

“This past month farmers, producers and community came together for a Local Conversation event through the Arkansas Grown, Arkansas Made and Home Grown Heroes programs. We are excited about the enthusiasm and outlook as a result of our recent dialogue. I do believe 2016 promises to be the best year ever for Arkansas Grown, Arkansas Made and our local movement.”

-Wes Ward Secretary of Agriculture

FEATURED MEMBERS

ARISE & SHINE FARM FARMINGTON, AR

A family-run farm, nestled among the beautiful Ozark Mountains of Northwest Arkansas. We raise quality Katahdin sheep to be sold as breeding stock and sell lamb meat by the cut.
